**"How to Become Successful in the Image Industry: Excellence Training"**

**Prepare for your FLC with this advanced Excellence Course**

You will be personally trained by the **Sangeeta S Bahl**

The image certification training course will teach you what you need to know to become successful in the image business. This advanced image business excellence training will both certify you and equip you to succeed.

- ▶ This Onsite Course, which has been approved by AICI, is jam-packed with the kind of real-world, practical information you will need to know as a professional image consultant.
- ▶ Assessments - Assessments are crucial to finding out about your self-esteem, behavior, and communication style. You have your choice of whether you own assessment or one that you can look at samples for study purposes. All three assessments will be explained in class. After this course, you will have the option of sending these actual reports to your clients and you can be an Assessment Counselor.
- ▶ Fashion, Style and Figure Analysis - Our First Impression counts, so on this day, we will walk you through the rules of fashion, style, and figure analysis. You will have your own personal coach for just you to develop great fashion skills.
- ▶ Etiquette and Protocol - How we act is so important, especially when we travel and are being judged on our knowledge of other countries. Sangeeta will personally train in Dining Tutorial and among all the other information you will glean from her, you will also be invited to a "mixer".
- ▶ Business Development - This is the day that when and I have time with all of you to develop YOUR business. You will be ready to go out and be successful with all this professional help and I will be there for additional mentoring after the course is over, 'We will work on everything from your business name to your business plan. All your business questions will be answered!
- ▶ Communications - Communication is two-fold: Verbal and Nonverbal. We work on both so that you become more aware of how you come across to people. Communication is not necessarily what we say; it is how what we say is perceived by others. This day will change your life, and you will leave this course knowing who you are, and be able to adapt to other behaviors and values. You will leave with knowing where you are now, and where you are going to be in one, two, and even five years.

This course is 70% interactive and 30% listening. You learn by doing, and in this class, you will be working through all these areas of development in just 5 Intensive Days. There is no other course of this kind that incorporates self-esteem and personal development into their five day curriculum. This will make all the difference, as you **MUST** know and be comfortable with who you are in order to be successful in working with your clients. We promise to exceed your expectations. You will also receive 4.0 CEU's.
